

March for Freedom

2nd Anniversary of Anarchy

Sunday April 20, 2008 – 2pm

Location: Queen's Park

We, the residents of Caledonia, call upon the People of Ontario to come to our aid to help end the Anarchy that the OPP have allowed to exist in our town.

We call upon our Mayor and Council members to endorse and for each to personally attend this rally.

We call upon Toby Barrett, John Tory, Bob Runciman and Tim Hudak to endorse and publicly attend this rally. Mr. Tory has asked us several times to protest at Queen's Park and we hope he will support this rally.

We call upon the residents of Brantford, Hagersville, Dunnville, Deseronto and all other towns that have seen the lawlessness and those towns that are next on the list to join us at Queen's Park. We invite Mayor Hancock to join us with his council as they too face Anarchy in Brantford.

In Canada we have a Charter of Rights and Freedoms

Equality and Justice is the foundation of Multiculturalism

We call upon Premier McGuinty to order the OPP to obey the Charter of Rights and the Canadian Constitution by bringing an end to Race Based Policing in Caledonia and throughout Ontario.
