

## **March for Freedom**

### **2<sup>nd</sup> Anniversary of Anarchy**

**Sunday April 20, 2008 – 2pm**

**Location: Queen's Park**

Invitation to Residents of Caledonia:

I, Merlyn Kinrade, believe in my town and the people I have lived side by side with for most of my life that we need to unite and focus our efforts to resolve the problems facing our town. No longer can we afford to be complacent and watch while residents on 6<sup>th</sup> Line have no policing, while businesses fail, while construction is halted and while our Title Deeds are not honoured by the OPP.

Businesses need the residents and the residents need the businesses to start to support rallies that draw attention to the failures of the McGuinty Government.

I request that all residents support a rally to Queen's Park set for April 20, 2008 as that is the 2<sup>nd</sup> Anniversary of the failed attempt by the OPP to enforce Law & Order in Caledonia. Since that date we, the residents, have been face with Raced Based Policing by the OPP and many of our Charter Rights have been denied us.

I was pleased to see Councilor Sloat suggest that it is time to 'camp out' at the Minister's office. I know I and many residents will be happy to see Councilor Sloat's demonstration of leadership for this rally.

Merlyn Kinrade

**We call upon Premier McGuinty to order the OPP to obey the Charter of Rights and the Canadian Constitution by bringing an end to Race Based Policing in Caledonia and throughout Ontario.**
